

Accountability

I am accountable on a day to day basis to the service manager for Adult Community Services.

Person centred

All working practices embrace person centered approaches at all levels, across all disciplines and reflect the States of Guernsey's Care Values Framework 2017- 2020.

Transition Co Ordinator

I work within the Community Learning Disability Team.

My primary role is to lead on improving the transition process for young people and their families.

Role summary

To oversee the transition planning for young people who have learning disabilities between 14 and 21 years of age. This is done by working in partnership with young people, their families and professionals from both children and adult services.

Specifically this involves;

- Ensuring all young people who meet the criteria for adult learning disabilities services have an allocated lead professional who will conduct a needs assessment.
- Conducting needs assessments for some young people.
- Organising a monthly transition planning meeting between Children and Adult Services.
- Ensuring transition planning meetings focus on meeting the assessed needs of the young person.
- Act as a point of contact for; young people, their families and other professionals who have questions about the transition process.
