Volunteers needed

The success of our services is due to the commitment and passion of our volunteers and staff working together in partnership.

We would be delighted to hear from you if you would like to volunteer some of your time and make a difference to people affected by dementia.

You can help to:

Support staff in running services and activities.

Raise funds for local services.

Dementia Support Service

Providing people living with dementia and carers with information and individualised one-to-one support.

What we do:

We provide individualised information and support for people affected by dementia.

We can meet you in your own home or other appropriate venue.

We provide advice and support over the phone and via email.

We work to strengthen and build upon existing support networks.

We give information that may help to address your current issues.

We support you to make informed decisions to maintain independence.

We can signpost you to support groups to prevent social isolation.

How to refer:

We operate an open referral service so that anyone may refer to this service.

Simply contact your local office. (See overleaf).

Information Services:

Alzheimer's Society factsheets cover a wide range of dementia-related topics. The online sheets can be printed, saved as a PDF or emailed.

The most popular factsheets are available on tape and CD. We can also print some factsheets in larger text.

Alternatively contact your local office who can supply you with these factsheets.
