The Safeguarding Board has been set up. The Board is a group of people who will make sure that there is support for people who need it. The first meeting of the Safeguarding Board will be in December.

Disability training was given to the Election volunteers. They were told how they could help people to vote.

The Guernsey Police and Autism Guernsey have introduced an autism passport. This will mean that people with autism can get the right help and support if they need to talk to the police.

Passengers now need to do a covid test when they arrive in Guernsey. A review of the new arrivals area at the airport was done.

This is so that people with different disabilities can take part in competitive sports.
